

## **IENOVA ANNOUNCES THE ADJUSTMENT OF TERMOELECTRICA DE MEXICALI'S BOOK VALUE**

Mexico City, September 29, 2016 – Infraestructura Energética Nova, S.A.B. de C.V., “**IEnova**”, informs that in connection with the plan to sell the Termoeléctrica de Mexicali power plant, it recently obtained market information indicating that its fair value may be less than its carrying value.

After analyzing this information, management determined that the carrying value of Termoeléctrica de Mexicali should be adjusted during September 2016, resulting in a noncash, after-tax impairment charge ranging from USD\$50 to USD\$90 million in the third quarter of 2016.
