

## **IENOVA ANNOUNCES THE CLOSING OF THE ACQUISITION OF THE “VENTIKA” WIND GENERATION FACILITY**

Mexico City, December 15<sup>th</sup>, 2016 – Infraestructura Energética Nova, S.A.B. de C.V., “**IEnova**”, in accordance with its September 5<sup>th</sup> 2016 announcement, informs that today it closed the transactions contemplated by the purchase and sale agreement to acquire 100% of the equity interest in the Ventika and Ventika II wind generation facilities developed by Cemex, jointly “**Ventika**”, with sellers Blackstone Energy Partners, Fisterra Energy and other minority shareholders.

This transaction, which will enhance IEnova’s renewables portfolio, is consistent with IEnova’s strategic plan to focus on short and mid-term growth. This transaction also reflects IEnova’s commitment to exercise investment discipline by investing in assets which are contracted with long-term and U.S. dollar denominated agreements. This transaction will contribute significantly and immediately to IEnova’s earnings.
