

IENOVA PUBLISHES ITS 2018 SUSTAINABILITY AND FINANCIAL REPORT: FACING THE FUTURE

Mexico City, May 31, 2019 – Infraestructura Energética Nova, S.A.B. de C.V., (“**IEnova**”), informs that on May 30, 2019 it published its 2018 Sustainability and Financial Report: Facing the Future on its webpage.

Through this report, IEnova communicates its social, environmental and economic achievements, reporting investment in communities, environment, safety, health and compliance during 2018 for USD\$5.73 millions.

IEnova positions itself for the fifth consecutive year as the sole energy infrastructure company to be part of the Mexican Stock Exchange Sustainability Index.
