

IENOVA ANNOUNCES THE EXECUTION OF A POWER PURCHASE AGREEMENT WITH SAN DIEGO GAS & ELECTRIC COMPANY

Mexico City, November 21, 2017 – Infraestructura Energética Nova, S.A.B. de C.V., (“IEnova”), announces that on November 16, 2017, through a wholly owned affiliate, it executed a 20-year power purchase agreement with San Diego Gas & Electric Company. The contract will be supplied through a new wind power generation facility that will be located in the municipality of Tecate in Baja California. The project will have a capacity of 108 MW and will require an investment of approximately US\$150 million. The development of this project is subject to the receipt of regulatory approvals, including from the California Public Utilities Commission and the U.S. Federal Energy Regulatory Commission. It is also subject to obtaining consents from financing parties and partners.

This transaction is aligned with IEnova’s commitment to develop energy infrastructure in the country, and it strengthens its position as a producer of clean energy in Mexico.
