

**IENOVA ANNOUNCES ITS PARTICIPATION IN THE PUBLIC TENDER TO
PROVIDE NATURAL GAS TRANSPORTATION SERVICES FOR THE
COMISIÓN FEDERAL DE ELECTRICIDAD (“CFE”) ON THE RAMAL
HERMOSILLO, IN THE STATE OF SONORA**

Mexico City, June 27, 2016 – Infraestructura Energética Nova, S.A.B. de C.V., “**IEnova**”, informs that today, through a subsidiary, it submitted a proposal to participate in CFE’s bidding process for the provision of natural gas transportation services to CFE on Ramal Hermosillo, a pipeline in the state of Sonora.

Participating in the bidding process does not guarantee that IEnova will be awarded the project.

If IENOVA wins the tender its subsidiary will be responsible for implementing the project, including obtaining permits, acquiring land and rights of way, and performing engineering, procurement, construction, financing, operation and maintenance of the project.

This initiative is consistent with IEnova’s strong commitment to the development of infrastructure in the country.
