

**IENOVA ANNOUNCES THE RESULTS OF THE BIDDING PROCESS FOR THE  
RENDERING OF NATURAL GAS TRANSPORTATION SERVICES FOR THE  
COMISIÓN FEDERAL DE ELECTRICIDAD ON THE SOUTH TEXAS –  
TUXPAN PIPELINE**

Mexico City, June 13, 2016 – Infraestructura Energética Nova, S.A.B. de C.V., “**IEnova**”, informs that in connection with the public tender issued by Comisión Federal de Electricidad (“**CFE**”), to participate in the bidding process related to the rendering of natural gas transportation services to CFE on the South Texas - Tuxpan pipeline (the “**Bid**”), today, the CFE released its resolution whereby it notifies that Infraestructura Marina del Golfo, S. de R.L. de C.V., the joint venture formed between IEnova and TransCanada Corporation that submitted a proposal was the winner of the process.

As a consequence of CFE’s decision, Infraestructura Marina del Golfo, S. de R.L. de C.V., will be responsible of implementing the project, including obtaining the permits, acquiring land and rights of way, the engineering, procurement, construction, financing, operation and maintenance.

This initiative is aligned with IEnova’s commitment with the development of infrastructure in the country.
