

ANALYST CONFERENCE ON JUNE 13, 2017

Mexico City, June 7, 2017. Infraestructura Energética Nova, S.A.B. de C.V. informs that members of its management team will provide an update on the strategic and financial goals of the company at an event that will take place on Tuesday June 13, at 8:30 am Central Time, in New York City. The most relevant national and foreign analysts covering the company's performance will participate, together with institutional investor interested in Mexico's energy market.

IEnova develops, builds and operates energy infrastructure in Mexico. With almost 900 employees and more than US\$7 Billion invested as of the end of 2016, it is one of Mexico's largest private energy companies. IEnova is the first energy infrastructure company listed in the Mexican Stock Exchange.
