

IENOVA ANNOUNCES CHANGES TO THE MANAGEMENT

Mexico City, on March 6, 2020 – Infraestructura Energética Nova, S.A.B. de C.V. (“IEnova”) informs that due to an adjustment in the organizational structure of IEnova, considering its priority in its projects’ development and as a consequence of the incorporation of Mr. Juancho Eekhout to Sempra LNG, as responsible of the LNG (liquefied natural gas) projects in Mexico, the Board of Directors of IEnova appointed Mr. Carlos Mauer as new Chief Development Officer.
