

**IENOVA ANNOUNCES THE EXECUTION OF A NATURAL GAS
TRANSPORTATION SERVICES AGREEMENT WITH COMISIÓN FEDERAL
DE ELECTRICIDAD WITH RESPECT TO THE SEGMENT OJINAGA – EL
ENCINO, IN THE STATE OF CHIHUAHUA.**

México, D.F., December 8, 2014 – Infraestructura Energética Nova, S.A.B. de C.V., “**IEnova**”, informs that in connection with the bid issued by the Comisión Federal de Electricidad (“**CFE**”), to participate in the bidding process related to the natural gas transportation services through a gas pipeline to the CFE in the segment Ojinaga – El Encino, in the state of Chihuahua, on December 5, 2014, through its subsidiary Gasoducto de Aguaprieta, S. de R.L. de C.V., entered into the corresponding natural gas transportation services agreement with CFE (the “**Transportation Agreement**”), which has a term of 25 years.

CFE contracted 100% of the transport capacity of the pipeline, equal to 1,400 million cubic feet per day.

IEnova, through its subsidiary, Gasoducto de Aguaprieta, S. de R.L. de C.V., shall be responsible for the development, construction and operation of the 42-inch pipeline, with a length of approximately 205 Km, which is expected to begin operations within the first half of 2017.

This initiative is consistent with IEnova’s strong commitment with the development of infrastructure in the country.
