FOR THE RENDERING OF NATURAL GAS TRANSPORTATION SERVICES
FOR THE COMISIÓN FEDERAL DE ELECTRICIDAD IN THE SEGMENT
OJINAGA – EL ENCINO, IN THE STATE OF CHIHUAHUA.**

Mexico, D.F., October 15, 2014 – Infraestructura Energética Nova, S.A.B. de C.V., “**IEnova**”, informs that in connection with the call issued by the Comisión Federal de Electricidad (“**CFE**”), to participate in the bidding process related to the rendering of natural gas transportation services through a gas pipeline to the CFE in the segment Ojinaga – El Encino, in the state of Chihuahua, today, through a subsidiary, IEnova submitted a proposal to participate in such bidding process.

Participating in the bidding process does not guarantee that IEnova will be the winner of said process.

In case of winning the bidding process, IEnova, through its subsidiary, would be responsible of implementing the project, including obtaining the permits, acquiring land and rights of way, the engineering, procurement, construction, financing, operation and maintenance.

This initiative is consistent with IEnova’s strong commitment with the development of infrastructure in the country.
