

## **IENOVA INFORMS ABOUT THE GUAYMAS-EL ORO PIPELINE AND ITS TRANSPORTATION SERVICE CONTRACT**

Mexico City, July 19, 2019 – Infraestructura Energética Nova, S.A.B. de C.V. “**IEnova**”, informs that its subsidiary Gasoducto de Aguaprieta, S. de R.L. de C.V. (“**GAP**”), was summoned to an arbitration procedure by the Comisión Federal de Electricidad (“**CFE**”) to demand the nullification of certain clauses of the transportation services agreement for the Guaymas – El Oro pipeline, which refer to the parties’ responsibilities in instances of acts of God or force majeure, as well as reimbursements and payments related to such events.

However, we reaffirm our willingness to speak with CFE and the corresponding authorities, as we have done repeatedly, to find a prompt resolution. IEnova affirms that it has always acted in strict accordance with the legal framework.
